9
10 AN ACT
11 ESTABLISHING THE TUBBATAHA REEF NATIONAL MARINE PARK IN
12 THE PROVINCE OF PALAWAN AS A NATURAL PARK UNDER THE
13 NIPAS ACT (R.A. 7586) AND SEP LAW (RA 7611), PROVIDING FOR ITS
14 MANAGEMENT AND FOR OTHER PURPOSES
15

16 *Be it enacted by the Senate and the House of Representatives of the Philippines in*
17 *Congress assembled:*
18

19
20 ARTICLE I
21 TITLE, POLICIES AND OBJECTIVES
22

23
24 SECTION 1. *Short Title.* This Act shall be known and referred to as the
25 Tubbataha Reefs Natural Park Act of 2007.
26

27 SECTION 2. *Declaration of Policy.* It shall be the declared policy of the State to
28 ensure the protection and conservation of the globally significant economic,
29 biological, socio-cultural, educational, and scientific values of the Tubbataha
30 Reefs into perpetuity for the enjoyment of present and future generations. These
31 shall be pursued through sustainable and participatory management, taking into
32 consideration all applicable laws and international conventions to which the
33 Philippines is a signatory.
34

35 SECTION 3. *Definition of Terms.* For purposes of this Act, the following terms
36 shall be defined as follows:
37

38 a) "BFAR" shall refer to the Bureau of Fisheries and Aquatic Resource of
39 the Department of Agriculture.
40

41 b) "Bioprospecting" shall refer to research, collection and utilization of
42 biological and genetic resources for purposes of applying the knowledge derived
43 therefrom solely for commercial purposes.
44

45 c) "Commercial fishers/fisherfolk" shall refer to persons who catch fish
46 and other fishery products using fishing vessels of more than three (3) gross tons.
47

1 d) "Coral" shall refer to all bottom dwelling animals under the phylum
2 Cnidaria, which are a major part of the reef community. The definition includes
3 four types of corals, 1) those that produce a hard skeleton out of calcium
4 carbonate such as all scleractinian corals, the hydrozoan corals (firecorals), and
5 the blue and red corals under the genera *Heliopora* and *Tubipora*; 2) the
6 antipatharian or black corals with a rigid, chitinous skeleton; 3) the gorgonians
7 with a horny and/or calcareous axis; and 4) the soft bodied anthozoans such as
8 sea anemones, and the soft corals under the systematical group of Alcyonaria or
9 Octocorallia.

10
11 e) "DA" shall refer to the Department of Agriculture.

12
13 f) "DENR" shall refer to the Department of Environment and Natural
14 Resources.

15
16 g) "DOJ" shall refer to the Department of Justice.

17
18 h) "Electro-fishing" shall refer to the use of electricity generated by
19 batteries, electric generator and other source of electric power to kill, stupefy,
20 disable or render unconscious aquatic organisms, whether or not the same are
21 subsequently recovered. "Exotic species" shall refer to species or subspecies that
22 do not naturally occur within the biogeographic region of the TRNP at present or
23 in historical time.

24
25 i) "Explosives" shall refer to dynamite, other explosives or other chemical
26 compounds that contain combustible elements or ingredients which upon
27 ignition by friction, concussion, percussion or detonation of all or parts of the
28 compound will kill, stupefy, disable or render unconscious any species. It also
29 refers to any other substance and/or device, including blasting caps or any other
30 component or part of explosive devices, which causes an explosion that is
31 capable of producing the said harmful effects on any resources and capable of
32 damaging and altering the natural habitat.

33
34 j) "Gear" shall refer to any instrument or device and its accessories
35 utilized in taking, catching, gathering, killing, hunting, destroying, disturbing,
36 removing or possessing resources within the TRNP.

37
38 k) "Kayakas" shall refer to the fishing method known as the local version
39 of the muro-ami but smaller in size, using bamboo or trunk trees as scaring
40 devices aside from coconut or other leaves or materials to drive the fishes and
41 other marine resources out of the coral reefs while at the same time pounding the
42 corals.

43
44 l) "Litter" or "Littering" shall refer to the disposal of small amount of non-
45 biodegradable solid waste materials, such as, cigarette butts, candy wrappers,
46 plastic bags, bottles, glasses, in the TRNMP which may cause or contribute to the
47 deterioration of the resources or habitats in the TRNP.

48

1 m) "Municipal fishers/fisherfolk" shall refer to persons who catch fish and
2 other fishery products using fishing vessels of three (3) gross tons or less, or
3 whose fishing does not require the use of fishing vessels.
4

5 n) "Muro-ami" shall refer to the method used in reef fishing consisting of
6 a movable bagnet, detachable wings and scarelines having plastic strips and
7 iron/steel/stone weights, effecting fish capture by spreading the net in an arc
8 around reefs or shoals and, with the use of the scarelines, a cordon of people
9 drive the fish towards the waiting net while pounding the corals by means of
10 heavy weights like iron/steel/stone or rock making it destructive to corals.
11

12 o) "Non-Government Organization (NGO)" shall refer to any civic,
13 developmental, environmental or philanthropic non-stock, non-profit
14 organization, duly registered, having by-laws, democratically-elected
15 representatives, with qualifications, expertise and objectivity in activities
16 concerning community organizing and development, or resource and
17 environmental conservation, management and protection related to the protected
18 area.
19

20 p) "Non-renewable Resources" shall refer to those resources found within
21 the TRNMP, the natural replenishment rate of which is not known.
22

23 q) "Noxious or Poisonous Substances" shall refer to any substance, plant
24 extracts or juice thereof, sodium cyanide and/or cyanide compounds or other
25 chemicals either in raw or processed form, harmful or harmless to human beings,
26 which will kill, stupefy, disable or render unconscious any marine organism and
27 capable of damaging and altering the natural habitat.
28

29 r) "PAMB" shall refer to the Protected Area Management Board as
30 provided for in Republic Act 7586, otherwise known as the National Integrated
31 Protected Areas System Act.
32

33 s) "PCSD" shall refer to the Palawan Council for Sustainable Development
34 as created under Republic Act 7611, otherwise known as the Strategic
35 Environmental Plan for Palawan Act.
36

37 t) "People's Organization (PO)" shall refer to a group of people which
38 may be an association, cooperative, federation, aggrupation of individuals or
39 groups with an identifiable structure of decision-making and accountability,
40 established to undertake collective action to address community concerns and
41 needs in relation to the protected area.
42

43 u) "PaSu" shall refer to the Park Superintendent of the TRNP.
44

45 v) "Poaching" shall refer to fishing or operating any fishing vessel,
46 gathering and/or purchase of any fishery products within Philippine waters by
47 any foreign person, corporation or entity.
48

1 w) "Protected Area" shall refer to identified portions of land and water set
2 aside by reason of their unique physical and biological significance, managed to
3 enhance biological diversity and protected against destructive human
4 exploitation.

5
6 x) "Protected species" shall refer to any plant or animal declared protected
7 under Philippine laws, rules and regulations. These shall include all species
8 listed under the Convention of International Trade of Endangered Species
9 (CITES) and all its Annexes, the Bonn Convention on Migratory Animals, those
10 specified under the red-list categories of the International Conservation of
11 Nature (IUCN), or any plant or animal which the TMB or any government
12 agency may deem necessary for conservation and preservation in the TRNP.

13
14 y) "Purse Seine" shall refer to the gear characterized by encircling net
15 having a line at the bottom passing through rings attached to the net, which can
16 be drawn or pursed. In general, the net is set from a boat or boats around the
17 school of aquatic resources. The bottom of the net is pulled closed with the purse
18 line. The net is then pulled aboard the boat or boats until the resources are
19 concentrated in the bunt or bag.

20
21 z) "Resources" shall refer to all natural endowments, whether aquatic or
22 terrestrial, living or non-living, found in TRNP.

23
24 aa) "Stakeholders" shall refer to any individuals, communities, agencies,
25 institutions, organizations, aggrupations of specific interests or sectors which
26 have particular interest in the achievement of the objectives of this Act, and/or
27 enjoyment or utilization in any form of the resources within the TRNP.

28
29 bb) "TMO" shall refer to the Tubbataha Management Office.

30
31 cc) "Trawl" shall refer to the gear consisting of a bag-shaped net which is
32 dragged or towed along the bottom or through the water column to take aquatic
33 resources by straining them from the water, including all variations and
34 modifications of trawls in bottom, mid-water, baby trawls, and tow nets.

35
36 dd) "TPAMB" shall refer to the Tubbataha Protected Area Management
37 Board.

38
39 ee) "TRNP" shall refer to the Tubbataha Reefs Natural Park & World
40 Heritage Site.

41
42 ff) "Vessel" includes every description of watercraft, including non-
43 displacement crafts and seaplanes, used or capable of being used as a means of
44 transportation on water. It shall include everything found therein, except
45 personal effects.

46

1 gg) "Waste" shall refer to discarded items of solid, liquid, contained
2 gaseous or semi-solid form, and from whatever source, which may cause or
3 contribute to the deterioration of the resources or habitats in the TRNP.
4

5 **SECTION 4. Declaration of Scope.** The Tubbataha Reef Natural Park (TRNP),
6 which shall cover an approximate area of **NINE SIX THOUSAND EIGHT**
7 **HUNDRED TWENTY EIGHT (96,828) HECTARES**, including its seabed and
8 airspace, and which shall include the Tubbataha Reefs and the Jessie Beazley
9 Reef in the Province of Palawan is hereby declared as a protected area. Its
10 boundaries shall be as follows:

	Longitude	Latitude
11		
12		
13	From Pt. 1	119°46' 10" N 9°04' 52" E
14	to Pt. 2	119°48' 22" N 9°06' 05" E
15	to Pt. 3	120°03' 12" N 8°58' 09" E
16	to Pt. 4	120°03' 30" N 8°53' 29" E
17	to Pt. 5	119°50' 41" N 8°41' 33" E

21 **ARTICLE II**
22 **MANAGEMENT, MANAGEMENT PLAN AND ZONING**
23

24 **SECTION 5. Management of the TRNP.** The management and
25 administration of the TRNP shall be vested with the Tubbataha Protected Area
26 Management Board (TPAMB), as herein provided. Management of zones to be
27 established within the TRNP shall be consultative and participatory.
28

29 **SECTION 6. Zoning.** Zones shall be established within the TRNP giving
30 primary consideration to the preservation and conservation of all life forms, in
31 accordance with applicable laws, rules and regulations. Zoning shall also take
32 into consideration the efficient protection of habitats, fragile ecosystems and
33 unique areas.
34

35 The establishment and management of zones shall involve the concerned
36 stakeholders by undertaking such steps as dialogue, and community and
37 resource-use mapping.
38

39 The metes and bounds of each zone shall be indicated on maps and/or
40 nautical charts.
41
42

43 **SECTION 7. Management Plan.** Within one (1) year from the effectivity of this
44 Act, there shall be a Management Plan to be prepared by the Tubbataha
45 Management Office in coordination with the local community and various
46 stakeholders, the Palawan Council for Sustainable Development (PCSD), the
47 Municipal Government of Cagayancillo, the Provincial Government of Palawan,
48 and with assistance from the Department of Environment and Natural Resources

1 and the Bureau of Fisheries and Aquatic Resources. The Management Plan shall
2 contain, among others:

- 3
- 4 a. a period of applicability for ten (10) years subject to periodic review
5 every three (3) years;
 - 6
 - 7 b. goals and objectives of management in support of Section 2 hereof;
8
 - 9 c. key management issues, such as, but not limited to, issuance,
10 screening and approval of all development and resource-use
11 activities within the TRNP; adequate protection and restoration of
12 endangered species and fragile ecosystems;
 - 13
 - 14 d. site management strategy including, but not limited to,
15 establishment of clear and simplified guidelines on the activities
16 that can be allowed within the zones, including the buffer zones;
 - 17
 - 18 e. major management activities, such as, but not limited to,
19 enforcement of laws, habitats and wildlife management,
20 sustainable use management, infrastructure development and
21 maintenance, fire prevention, pest and disease control, and disaster
22 management;
 - 23
 - 24 f. zoning in accordance with Section 6 hereof;
 - 25
 - 26 g. mechanism for the protection, regulation and prohibition of those
27 within the TRNP, in accordance with their rights;
 - 28
 - 29 h. mechanisms to ensure consultative and participatory decision-
30 making processes.
- 31

32 The Management Plan shall be consistent with the nature of the TRNP as a
33 protected area. It shall be reviewed and approved by the TPAMB, and submitted
34 to the PCSD and the DENR.

35

36

37 **SECTION 8. *Successor Plan.*** Before the expiration of the initial
38 Management Plan, there shall be a successor plan to be prepared by the TMO in
39 the same manner as the procedure and principles herein set forth. Two years
40 before the expiration of the Management Plan, the PM shall cause the publication
41 of notices for comments and suggestions on the successor plan using all available
42 media, but at least in a newspaper of local circulation, and the posting of such
43 notices in the provincial, municipal and barangay halls and in three (3) other
44 conspicuous areas frequented by the public. The successor plan to the
45 Management Plan shall be made available to the public for perusal at the office
46 and sub-offices of the PM and the PCSD.

47

48

1 n At least two (2) representatives from people's organizations (PO)
2 based in the Municipality of Cagayancillo, Palawan, and concerned
3 with the conservation and management of the TRNP, to be chosen
4 from among themselves;

5
6 o. The Park Superintendent as *ex officio* member.
7

8 Except for government officials who shall serve *ex-officio*, every TPAMB
9 member shall serve for a term of three (3) years: *Provided, That*, he/she remains
10 connected with the sector he/she represents. Whenever a vacancy occurs during
11 the term of a member who does not represent the government, a new member
12 shall be chosen in the same manner as the original process to serve the remaining
13 term of his/her predecessor.
14

15 The TPAMB *en banc* shall hold regular meetings at least once every
16 quarter. However, the Executive Committee, as provided herein, may meet on
17 a more regular basis to discuss regular day-to-day affairs and other matters
18 delegated by the TPAMB.
19
20

21 **SECTION 10. *Executive and Other Committees of the TPAMB.*** There shall be an
22 Executive Committee (ExeCom), to be headed by a TPAMB Chairperson, to
23 which the TPAMB may delegate some of its powers and functions. Its members
24 shall be chosen by the TPAMB from among themselves.
25

26 The TPAMB may create other committees as it may deem necessary.
27
28

29 **SECTION 11. *Incentives of TPAMB Members.*** In addition to actual and
30 necessary traveling and subsistence expenses incurred in the performance of
31 their duties, TPAMB members may be granted honoraria and insurance coverage
32 in attending TPAMB or other TPAMB committee meetings. These expenses may
33 be included in the budget for TRNP.
34
35

36 **SECTION 12. *Rules of Procedure.*** The TPAMB shall determine by appropriate
37 resolution its procedural rules, which shall include discipline and removal of its
38 officers and members.
39

40 **SECTION 13. *Powers and Functions of the TPAMB.*** The TPAMB shall have the
41 following powers and functions:
42

43 a. Decide matters relating to planning, resource use and protection,
44 and general administration of the area in accordance with the
45 Management Plan;
46

- 1 b. Approve budget allocations, proposals, work plans, action plans,
2 guidelines for management of the TRNP in accordance with the
3 Management Plan and its policies;
4
- 5 c. Coordinate with national and local agencies, local government
6 units, local communities, the academe, non-governmental
7 organizations, and such other institutions to ensure the
8 conservation and management of the TRNP;
9
- 10 d. Initiate the implementation of the delineation of the boundaries of
11 the TRNP;
12
- 13 e. Promulgate rules and regulations to promote development
14 programs and projects on biodiversity conservation and sustainable
15 development within the TRNP and consistent with the
16 Management Plan;
17
- 18 f. Ensure the implementation and enforcement of laws, rules and
19 regulations, policies, programs and projects within the TRNP;
20
- 21 g. Control and regulate construction, operation and maintenance of
22 structure and utilities within the TRNP;
23
- 24 h. Monitor and evaluate the performance of the TMO and all those
25 implementing activities and projects in TRNP;
26
- 27 i. Appoint the TRNP Park Superintendent, and, upon
28 recommendation of the PaSu, appoint management personnel
29 based on internal selection criteria and decide on their
30 compensation and benefits;
31
- 32 j. Generate funds and accept donations, grants, and exercise
33 accountability over all funds that may accrue to the TRNP;
34
- 35 k. Manage the TRNP Trust Fund, as herein provided;
36
- 37 l. Exercise quasi-judicial functions for adjudicating cases of violations
38 of this Act and exact fines and fees for violations of guidelines,
39 rules and regulations within the TRNP;
40
- 41 m. Deputize individuals for the enforcement of laws, rules and
42 regulations governing conduct within the TRNP, and prescribe the
43 necessary qualifications therefore;
44
- 45 n. Designate collecting officers for funds generated by the TRNP, and
46 formulate procedure for the disbursement thereof in accordance
47 with sound accounting and auditing standards;
48

- 1 o. Retain legal counsel to defend cases against the TPAMB and the
2 Office of the PM whenever they are sued in connection with the
3 performance of their duties under this Act, guidelines, and rules
4 and regulations pertaining to the TRNP;
5
- 6 p. Provide adequate measures to ensure consultation and
7 participation of stakeholders;
8
- 9 q. Perform such other functions necessary for the fulfillment of the
10 provisions of this Act and other applicable laws, rules and
11 regulations, and as may be required;
12

13 **SECTION 14. *Tubbataha Management Office (TMO).*** There shall be a
14 Tubbataha Management Office (TMO) to be headed by the TRNP Park
15 Superintendent (PaSu) who shall serve as the Chief Operating Officer of the
16 entire TRNP. The TPAMB will determine the staffing and hiring arrangements
17 for the TMO. The PaSu and his/her staff shall hold office in a place to be
18 designated by the TPAMB: *Provided, That,* the TPAMB may authorize the
19 establishment of sub-offices for purposes of convenience, safety, accessibility,
20 economy, and such other justifiable reasons: *Provided, Further, That,* at least a sub-
21 office shall be established within the TRNP.
22

23 The PaSu shall have full responsibility for the protection of resources
24 within the TRNP. As such, he/she shall have the following duties and
25 responsibilities in addition to those provided under existing laws and
26 regulations:
27

- 28 a. Prepare the Management Plan and its successor plans as herein
29 provided;
30
- 31 b. Serve as Secretary to the TPAMB with the duty to provide the
32 TPAMB with all the information necessary to make appropriate
33 decisions for the implementation of this Act;
34
- 35 c. Hire non-management personnel of the TRNP, and recommend
36 management personnel to the TPAMB;
37
- 38 d. Supervise TRNMP personnel in the performance of their duties and
39 functions;
40
- 41 e. Establish productive partnership with national and local agencies,
42 local government units, local communities, the academe, non-
43 governmental organizations, and such other institutions to ensure
44 the conservation and management of the TRNP;
45
- 46 f. Develop and implement park information, interpretation,
47 education and other visitor programs;
48

- 1 g. Enforce the laws, rules and regulations and TPAMB resolutions
2 relevant to the TRNP, file complaints, and assist in the prosecution
3 of offenses;
- 4
- 5 h. Monitor all activities within the TRNP in conformity with the
6 Management Plan;
- 7
- 8 i. Ensure that consultative and participatory mechanisms are
9 maximized in decision-making;
- 10
- 11 j. Perform such other functions as the TPAMB may assign.
- 12
- 13

14 **SECTION 15. *Components of the TMO.*** The PaSu, with the approval of
15 the TPAMB, shall ensure efficient and effective implementation of this Act
16 through various components or divisions that may be deemed necessary:
17 *Provided, That,* the PaSu and the TPAMB shall ensure that there are components
18 in the TMO that shall ensure conservation management; research and
19 monitoring; conservation awareness; and community development assistance to
20 the Municipality of Cagayancillo.

21

22

23 **SECTION 16. *Role of Local Government Units.*** Local governments of Palawan
24 and Cagayancillo shall participate in the management of the TRNP through their
25 representation in the TPAMB. The provisions of this Act shall be incorporated
26 into the municipal and provincial development plans of Cagayancillo and
27 Palawan, respectively, and the Regional Development Plan of Region IV as part
28 of the environmental concerns of the province and the region. The national and
29 local government units shall likewise ensure that local ordinances pertaining to
30 the environment are consistent with this Act and the Management Plan, as herein
31 provided.

32

33

34 **SECTION 17. *Role of DENR and PCSD.*** The DENR and PCSD shall coordinate
35 closely to ensure the sound management and conservation of the TRNP, provide
36 technical and financial assistance to the TRNP as may be needed, and appoint
37 representatives to the TPAMB.

38

39

40 **SECTION 18. *Fiscal Matters.*** The TRNP shall enjoy fiscal autonomy. It shall
41 have the sole power to decide on the use of its funds from whatever source:
42 *Provided, That,* the Municipality of Cagayancillo, Palawan shall have a share of at
43 least ten percent (10%) of the conservaton fees paid to TRNMP.

44

45 The TRNP shall not be required to contribute to the Integrated Protected
46 Area Fund (IPAF) provided under Republic Act No. 7586.

47

48

1 **SECTION 19. *The TRNMP Fund.*** There is hereby created a special trust
2 account to be known as Tubbataha Trust Fund. All the fees, penalties, donations,
3 grants, endowments, revenues and any other income pertaining to the TRNP
4 shall automatically accrue to this fund. The fund shall be used for the purpose
5 of financing projects and activities in the TRNP to attain the objectives of this
6 Act.

7
8 All funds pertaining to the TRNP shall be exempt from whatever tax,
9 charges or fees: *Provided, That,* the TPAMB shall apportion the funds in
10 accordance with the provisions of Section 18 of this Act.

11
12
13
14 **ARTICLE IV**
15 **UTILIZATION OF RESOURCES**
16

17 **SECTION 20. *Who Many Utilize TRNP and its Resources.*** No person or entity
18 shall enter, enjoy or utilize any portion of the TRNP and the resources therein for
19 whatever purpose without prior permission from the TPAMB or the PaSu as
20 herein provided.

21
22 **SECTION 21. *Modes of Utilization.*** The TPAMB shall determine, based on
23 existing scientific evidence, laws, rules and regulation, international instruments,
24 traditional resource utilization, management modalities in the area, carrying
25 capacity, and observing precautionary principle, the modes of utilization of the
26 TRNP and all the resources found therein. Permits shall only be issued for such
27 modes of utilization and enjoyment as the TPAMB and this Act shall allow.

28
29 **SECTION 22. *Utilization Permits and Users' Fees.*** The TPAMB shall have the
30 exclusive authority to issue permits and conditions thereto, and determine and
31 collect fees, for the utilization and enjoyment of the TRNP and the resources
32 therein: *Provided, That,* the TPAMB may delegate to the PaSu the authority to
33 issue permits, and collect fees for temporary access to the TRNP such as, visiting
34 or diving, subject to the limits as may be determined by the TPAMB: *Provided,*
35 *However, That,* entry into the TRNP for emergency reasons shall not be subject to
36 permit and users' fees.

37
38 **SECTION 23. *Energy and Non-Renewable Resources.*** Any exploration,
39 exploitation or utilization of non-renewable resources, such as minerals and oil,
40 within the TRNP shall not be allowed. Energy projects shall be allowed only
41 through an act of Congress.

42
43
44 **ARTICLE V**
45 **PROHIBITED ACTS AND PENALTIES**
46

47 **SECTION 24. *Unauthorized Entry, Enjoyment or Use.*** The TRNP shall be off
48 limits to navigation, except for tourism and research activities that are sanctioned

1 by the TPAMB. Except in emergency situations, it shall be unlawful to enter
2 TRNP without prior permission from the TPAMB or the PaSu as herein
3 provided. It shall also be unlawful to enter, enjoy or use for any purpose any
4 prohibited management zone. This rule shall similarly apply to the use of
5 vessels, gears and equipment in management zones where such are not allowed.
6

7 Violation of this Section shall subject the responsible person or entity to an
8 administrative fine of from Fifty Thousand Pesos (P50,000.00) to One Hundred
9 Thousand Pesos (P100,000), as may be determined by the TPAMB. If the
10 violator is a commercial fishing operation, the fine shall be Five Hundred
11 Thousand Pesos (P500,000.00).
12

13
14 **SECTION 25. *Damages to the Reef.*** Damages to the reef shall subject the
15 responsible person or entity to the payment of administrative fines based on
16 current valuation standards and to the payment of the cost of restoration.
17

18
19 **SECTION 26. *Non-payment of Users' Fees.*** It shall be unlawful for any person
20 or entity to enjoy or utilize the TRNP and the resources therein without payment
21 of conservation fees as may be imposed by the TPAMB.
22

23 Violation of this Section shall be penalized with an administrative fine of
24 double the amount set by the TPAMB for the activity undertaken.
25

26
27 **SECTION 27. *Unauthorized Anchorage.*** Except in emergency situations, it shall
28 be unlawful for any person or entity to anchor outside the designated areas
29 determined by the TPAMB.
30

31 Violation of this Section shall be penalized with an administrative fine of
32 not less than TenThousand Pesos (P10,000.00) and not more than Fifty Thousand
33 Pesos (P50,000.00).
